

## Eligibility Criteria for Degree Admission

### Eligibility Criteria for FE Admission

#### Eligibility for four-year degree course, (BE) admissions in Maharashtra:

Should have passed **12<sup>th</sup> Science (HSC)** with **Physics and Mathematics** as compulsory subjects along with any one of the subjects Chemistry / Biology / Computer Science / IT / Biotechnology / Technical Vocational Subject

#### Minimum Marks

1. **General Category:** 45% aggregate in Physics- Maths and Chemistry / Biology / Computer Science / IT / Biotechnology / Technical Vocational Subject
2. **Reserved Category:** 40% aggregate in PCM (SC/ST/OBC/EWS) Physics- Maths and Chemistry / Biology / Computer Science / IT / Biotechnology / Technical Vocational Subject
2. **MHT-CET 2025** – Primary Entrance examination to seek admission in engineering courses for Maharashtra state engineering colleges with a non zero score.
3. **JEE Main 2025** – Required for All India Quota.
4. Students who have done diploma and have less than 50% marks can also get admission in the First Year

## Eligibility Criteria for Direct second year Engineering (DSE) Admission

1. Diploma in any stream with minimum 50% marks is eligible to get admission to direct second year degree admission in any branch.
2. 12<sup>th</sup> Science students with less than 45% PCM (for Open category) and less than 40% PCM (for reserved category)
3. 12<sup>th</sup> students of commerce or arts stream

## Eligibility Criteria for DSY Admission

1. Should have passed 2 years ITI course with minimum of 35% Marks
2. 12<sup>th</sup> Science students with less than 45% PCM (for Open category) and less than 40% PCM (for reserved category)
3. 12<sup>th</sup>

### Engineering (1st Year B.E.):

Passed Class 12 or equivalent with Physics + Mathematics and at least one of the following: Chemistry, Biotechnology, Biology, Technical/Vocational subjects, Computer Science/IT, Informatics Practices, Agriculture, Engineering Graphics, or Business Studies.

Minimum marks: General category – 45% aggregate ; Reserved categories/ EWS / – 40% aggregate in the subjects Physics + Mathematics and at least one of the following: Chemistry, Biotechnology, Biology, Technical/Vocational subjects, Computer Science/IT, Informatics Practices, Agriculture, Engineering Graphics, or Business Studies.

Alternatively, Diploma in Engineering & Technology or B.Sc. (with Mathematics) with the specified minimum marks makes you eligible .

### Diploma (Entry into 1st Year Polytechnics):

Requires Class 10<sup>th</sup> pass. Alternatively, Class 12 without PCM might also be acceptable depending on the specific diploma field. (The CAP brochure provides detailed course-wise info; check the diploma eligibility section within the CAP document.)

Admission Type	Qualifying Examinations	Min. Marks (Gen / Reserved)	Entrance Exam
First Year B.E./B.Tech.	Class XII (PCM + 1 optional subject) or Diploma or B.Sc. (with Maths)	45% / 40%	MHT CET (PCM) or JEE Main score required
Diploma (Polytechnic)	SSC (Class 10) or Class 12 (as per field)	Varies by program	CAP-based; no separate entrance test

### Direct Second Year – Engineering (Lateral Entry)

To enter directly into the second year of a B.E./B.Tech. degree, a candidate must meet one of the following criteria:

#### Diploma route:

Completed a 3-year Diploma in Engineering & Technology from an AICTE/Central or State Government-approved institution

Minimum aggregate marks:

45% for General and All-India candidates

40% for Reserved categories, EWS, or PwD candidates (Maharashtra State only)

**B.Sc. route:**

Passed a B.Sc. degree from a UGC-recognized university with Mathematics

Plus pass in HSC (Class 12)

Marks criteria same as above (45% / 40%)

**Direct Second Year – Diploma**

For entry into the second year of Diploma in Engineering/Technology, eligibility includes:

**Academic Qualification:**

Passed HSC (Class 12) with Science/Technical/Vocational/MCVV stream

Or completed a 2-year ITI, MCVC, or Certificate of Eligibility (CoE) program from a recognized institute

**No entrance exam like MHT-CET is required — selection is based on merit**

Admission Type	Qualifying Examinations	Min. Marks (Gen / Reserved)	Entrance Exam
Direct 2nd Year – Engineering	2/3 yr Diploma (AICTE-recognized) B.Sc. + HSC (Maths) 3 yr D.Voc.	45% / 40%	CET Cell via CAP
Direct 2nd Year – Diploma	HSC (vocational/technical/MCVV) or 2 yr ITI/MCVV/CoE	As per merit (no min %)	CET Cell via CAP

The Online centralized admission Process CAP

Admissions are done through the Online process conducted by State CET Cell, Government of Maharashtra, via the MHT-CET CAP system
